29th January 2015

Dear Parents/Carers

DVD

I would like to encourage you to look at our new DVD, which is located on the school website. The first one made in 2012 is still available for viewing too. I do hope you enjoy it.

Outdoor clothing

I appreciate the care that you give to making sure that your child is dressed appropriately. Even though it has been very cold the majority of children still go outside each day, even if it is just for a few minutes. Therefore everyone needs to wear a winter coat to school, so that they can keep warm and dry in the playground. We have a lovely song that we sing in assembly which reminds us of what to put on when we go outside called "Put your coat on". The children love the song, so it encourages them to know what to wear when outside. Please continue to provide the appropriate clothing for all weathers and all activities. Thank you for the careful way that you dress your child for school.

Just to let you know

Bernadette Kaye, my new PA, is not at work for the time being. I will let you know when she returns, but until then please contact me directly or via admin@amwell.herts.sch.uk or via janet.warrington@amwell.herts.sch.uk.

Contribution to Annual Review meetings and Education, Health and Care Plans

I am really pleased that parents and carers have engaged so well in the statutory process. It is so good to have parent views to contribute to the process. I know that it is sometimes really hard to think so far into the future so I congratulate you on your attempts to do so. Meeting together provides a valuable opportunity to share information and make some plans for the years ahead. I hope that you continue to understand the importance of having your 'say' in the process.

Yours sincerely

Jan Liversage
