NEWSLETTER No 412

4th September 2015

Welcome Back.

It's time to welcome new pupils, new staff, new parents and of course all those who are already a part of the Amwell View Community.

Let's hope that the return to school is coupled with renewed energy and enthusiasm.

Snacks, Clothing, Medication.

To ensure that your child's day at school goes smoothly please remember to send in snacks, clothing (which is named), medication, transfer slings and all PE and swimming gear. The curriculum starts from Day 1, so all equipment is needed as usual. I know it's a long list, but it is really important.

Holiday Club

The 9 days of the club hopefully gave you some extra time to enjoy a bit of a break. It was a great success and continues to be valued by parents and pupils.

Building

Due to the consistent interest in pupils attending this school we have started building two more classrooms as well as new offices. I hope that this will mean that we will be able to even out our class numbers, rather than increase the overall whole school roll. We had 128 pupils by the end of the year and at the moment we already have 122. Parents who bring their children to school will see we are operating around an open air building section. The programme is about 3 weeks behind, but it is expected to be finished around Christmas or early in the New Year, 2016. I shall keep you posted on the progress.

Please note the following dates which are also on our website.

- **Tuesday 15th September 2015 - Parents Evening starting at 6pm**
- **Wednesday 23rd September - Transition Open Evening 6.30 – 8.30 pm**
- **Tuesday 6th October - Harvest Festival.**

Yours sincerely
