B. Ed., Ad. Dip., B. Phil. (MSI)

Learning Outdoors.

As the weather improves and with our strong emphasis on PE and Sport, children will be using the Climbing Wall and the limited outside space that is available for us. We are once again using the tennis courts at St Margaretsbury for classes 7, 8, and 9, which we are pleased to have access to run short courses. In view of this information please can I ask your help in making sure that all children have the appropriate clothing to cover all possible variations of our daily weather, so shorts, tracksuit bottoms and tops, sun hats as well as the essential suntan lotion.

Sport Relief.

We raised a total of £212.22 through our different activities, with contributions from you, staff and other stake holders who were in school during the week when the activities took place. Thank you once again for your help to join in this National Charity event.

Rugby Trip.

It's a sell out: Saracens vs Newcastle Falcons has been booked and we are ready to cheer our chosen team to victory.

The School Show

Following on from the pattern last year we will perform our school show on one morning, one afternoon and 2 evenings in the week beginning 23rd May 2016.

Monday 23rd May 2016 at 10am

Tuesday 24th May 2016 at 7pm

Wednesday 25th May 2016 at 7pm

Thursday 26th May 2016 at 1pm

The evening performances will be preceded by an opportunity to view show photographs and to have an opportunity to chat with other parents and carers, which is always very supportive. The transport company, Carts and Carriages, is very helpful in assisting us with the change of times for the 2 evenings. Your child will arrive in school at 4pm and depart at 9pm. We start the afternoon in the usual way with assembly followed by circle time, lessons and a hot tea at 5pm. The Midday supervisory assistants work their 1½ hours during the tea period, the children go out to play and then get ready for the performance to you. It is so exciting. Tickets will be on sale soon at £2 per person for every performance. I do hope that you will be able to attend a performance to see how all the children are involved and how much they enjoy the experience. It is a great opportunity to see examples of the curriculum being presented in an artistic and creative way. This gives you a glimpse of the curriculum development and the changes that your child will experience as they move through the school, so I urge you to stay for the whole show and not just your child's part.

The order for tickets will be sent out soon, so in the meantime have a look at your diaries and see which would suit you best.

Yours sincerely

Jan Liversage
