## **NEWSLETTER 432**

1<sup>st</sup> September 2016

Dear Parents/Carers

Welcome back to the new academic year to existing pupils and to some new children. I hope that you have all had a successful holiday and taken advantage of the good weather during the summer break. Summer definitely arrived some of the days.

I also welcome new Teachers, Teaching Assistants and Apprentices to the school. You will have the opportunity to meet everyone at the Parents' Evening on 13<sup>th</sup> September 2016. We have a few changes to get used to and one of those is that Sheila Kitchen will be teaching Science this year to all the pupils as unfortunately Gary Delaney is still off sick following his absence since the May half term holiday. I know the children have missed a number of Science lessons, so I am keen to make sure that we start the new term with a complete curriculum offer. Supporting Sheila in the delivery of Science will be a new Teaching Assistant, Andrew Klippel.

The Holiday club was once again a great success and excellent support to families of those children who attended. This was enthusiastically led by Nathan Bascom, who was supported by an experienced team of support staff. I do hope that you found the provision helpful and that the children enjoyed spending time with their friends in familiar surroundings. The theme of the Olympics prompted a great number of activities.

We are poised ready to start cheering our Paralympians to victory, with the slogan 'YES I CAN' and the National Anthem. We have also been singing the school song each time so that the children have a stronger sense of identity with the school community.

I would like to see as many parents as possible next week, so please return the appointment slip as soon as possible.

Thank you.

Kind regards

Jan Liversage  
Head Teacher
