Dear Parents/Carers,

It's Show Time:

The Annual school show has been a great time for the children to showcase the curriculum. This is a perfect way to show you what the children can do and how confident they are in performing to you, their parents. As in previous years the school will be closed during the day of the evening performances (Wednesday 24th and Thursday 25th May). The school will open to our audience from 5.45pm for pre-performance drinks. The show will start at 6.30pm and we aim for all the children to be leaving to go home at 9pm. Your child's transport operator has agreed to transport your child to and from school and will speak to you nearer the time regarding pick up times.

The evening performances will be preceded by an opportunity to view show photographs and to chat with other parents and carers. The transport company, Carts and Carriages, is very helpful in assisting us with the change of times for the 2 evenings. Your child will arrive in school at 4pm and depart at 9pm. We start the afternoon in the usual way with assembly followed by circle time, lessons and then a hot meal is served to the children at 4.45pm. The Midday Supervisory Assistants work their 1½ hours during the tea period, helping the children with eating and going out to play before getting ready for the performance to you. It is so exciting.

Dates for the show are as followed:

Tuesday 23rd May – 10am Performance

Wednesday 24th May – Evening Performance at 6.30pm: doors open at 5.45pm for refreshments

Thursday 25th May – Evening Performance at 6.30pm: doors open at 5.45pm for refreshments

NB: Late start for pupils at 10am on Friday 26th May 2017 followed by half term.

Tickets will be on sale soon at £2 per person for every performance. I do hope that you will be able to attend a performance to see how all the children are involved and how much they enjoy the experience. It is a great opportunity to see examples of the curriculum being presented in an artistic and creative way. This gives you a glimpse of your child's development and the changes that your child will experience as they move through the school, so I urge you to stay for the whole show and not just your child's part.

The order for tickets will be sent out soon. These will be limited to one performance per person in order to make sure that everyone has the chance to see their child. You are welcome to bring family and friends and hope that you will enjoy the theme of musical theatre this year.

Yours sincerely
