Rock Club Rock club is a celebration of music which enables pupils to experience pop music from across the decades, and to begin to develop their own taste in music. Pupils play musical games and instruments, move to music, perform to favourite songs on the stage and listen to the latest pop songs. Highlights from musical events such as 'Britain's Got Talent', 'Eurovision Song Contest' and 'Glastonbury' are watched and discussed with acts being voted for and pupils taking on the role of judges. The emphasis of this club is on enjoying listening to music and to broaden musical knowledge whilst having fun.	Monday	12 pupils
Cooking Club This club will offer participants the opportunity to learn how to become more independent in the kitchen using a variety of equipment, for example; a kettle, blender, toaster and an oven. We will focus on a wide range of skills in the kitchen environment including combining ingredients, using cutlery, pouring, measuring. We will be making a range of foods with the aim to promote pupil's enjoyment in the kitchen environment alongside developing their skills that they can apply at home. We will ask pupils to bring a plastic container so that they are able to bring home their baking to share or eat at home. Although the intention is not to eat during club, pupils will get to explore and taste ingredients in a fun and engaging club.	Tuesday	12 pupils
