Parent Bulletin

- Extreme weather
and end of term reminders

Extreme Weather

- ◆ We are preparing for extreme hot weather on Monday and Tuesday. We will make sure that the children have lots of opportunities to take on extra fluids, activities will not be too strenuous, and children will not be in direct sunlight. We will use the air conditioned areas wherever possible, and encourage lots of water play and use of cold resources such as ice and freezer blocks.
- ◆ We have looked at all the local authority and government guidelines and we are confident we have put the measures in place to keep everyone safe.
- ◆ As the temperatures are deemed extreme, we fully appreciate that you may wish to keep your child at home, which is perfectly understandable.
