Show Parking and Photography

Friday 20th May 2022

Parking for the Show

Please note there is **NO PARKING** available within the school car park or the private drive leading to the school front entrance, as all staff will be at work and school transport buses will be operating.

St. Margaretsbury Sports and Social Club have fenced off the front football pitch, therefore have **NO PARKING** available for us to use.

Please park away from the school - there are two car parks in the village; the Station Car Park and the Main Car Park which is located opposite the row of shops (Co-op) a short walk away from the school.

The entrance for all shows will be via the Front Office. At the end of the show you will be asked to leave the school grounds at the rear because School Transport will be in the front car park collecting pupils.

Show Photography

Photographs and videos must only be taken for personal use. They **MUST NOT** be shared via any social media platforms.
