

Follow the recipe to make a bowl of cereal.

You can use any cereal and fruit you

have in your house, this might be different to

the cereal I have used on my recipe.

Be careful when using the knife to chop

the fruit because it sharp.

Cereal recipe

Find a spoon, bowl and knife

Find cereal, fruit and milk

Chop fruit

Pour cereal and milk into bowl and add fruit

banana

strawberries

kiwi

blueberries

raspberries

raisins

granola
