

If you have made Hannah's recipes this week,

use the plenary sheet to see if

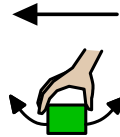

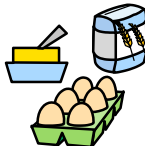

you can remember:

?

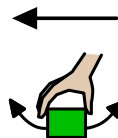

- What you made

?

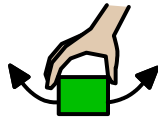

- What ingredients you used

?

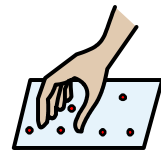

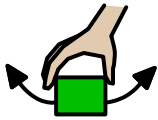

- What utensils you used

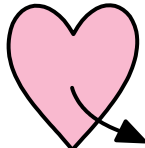

H

If you have not used Hannah's recipes

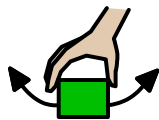

yet, use the design sheet to choose

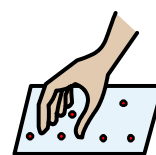

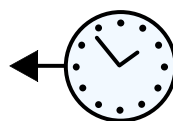

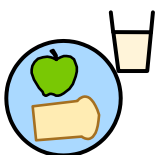

what you want to make.

When you have finished your design

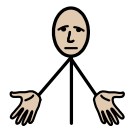

sheet, use it to help you make the

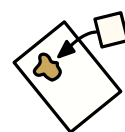

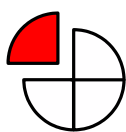

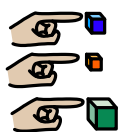

lunch recipe you have chosen.

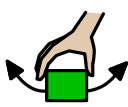

If you can, print out the design sheet.

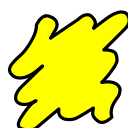

Cut out the symbols you need, match them to

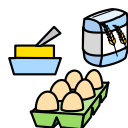

each section on your design sheet and stick on

using glue.

Yellow - Recipe

Blue - ingredients

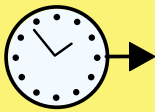

Green - utensils
